

DECIMA TECHNOLOGIES

Project Northern Lights

Quarterly Operations Review

Q1 2026

CLASSIFICATION

Internal // Confidential

PREPARED FOR

Office of the VP, Operations

DOCUMENT REFERENCE

DCMA-NL-Q1-2026-014

Executive Summary

This review summarizes the Q1 2026 posture of Project Northern Lights and its associated assets. It consolidates operational reporting from the field teams and the disposition decisions taken by the review board during the quarter.

PROJECT STATUS

WOUND DOWN

All assets reassigned. Program concluded in Q1 2026.

Resourcing for the next period will follow from the board's determination. Personnel dispositions are recorded in the following section, and the authorization of record appears on the final page.

Personnel Disposition

Disposition of record for the three subjects under review this quarter.

SUBJECT	REFERENCE	STATUS
Marcus Reyes	NL-0447	CLEARED
Diane Cole	NL-0512	CLEARED
Aaron Stanton	NL-0631	CLEARED

All dispositions above were entered by the review board of record.

Authorization

The contents of this review have been examined and approved for archival. The signatory below attests to the accuracy of the dispositions recorded herein as of the date of signature.

Approved

James Harrison

VP, Operations

Date of signature: March 14, 2026

RECORD COPY

Retain per Decima records schedule.
